

Behavioral Health Supplemental Data Submission - Beacon's Role

May 6, 2020

Acronym Check

Term	Acronym	Description	Owner
Behavioral Health Data Guide	BHDG	Governing document for the submission of behavioral health supplemental data into the system.	HCA
Behavioral Health Data System	BHDS	The point of submission for Behavioral Health Supplemental Data transactions compiled by Beacon.	HCA
Behavioral Health Supplemental Data	BHSD	The non-encounter data providers track and submit to Beacon. This is the primary term Beacon will use.	Beacon
National Outcome Measures/ Treatment Episode Data Set	NOMS/TEDS	Alternative term for BHDS.	

Beacon in Washington State

You may know us as...

- BHASO in 3 regions:
 - Southwest
 - North Central
 - Pierce
- We gather and submit BHSD for *crisis and non-Medicaid funded* programs in these three regions

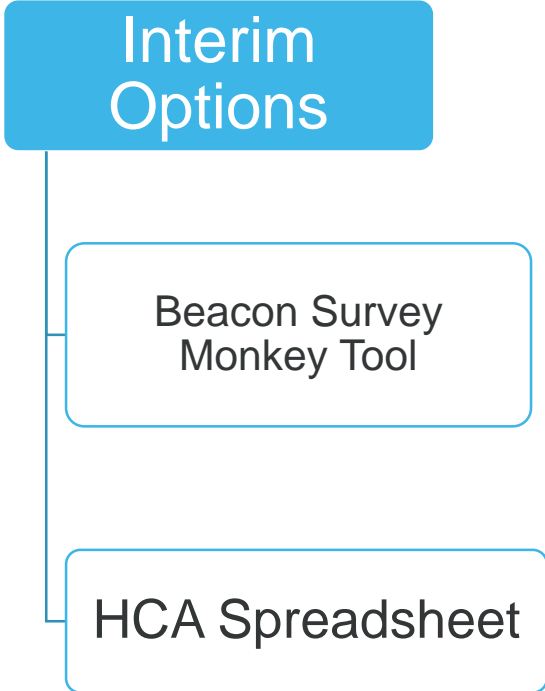

This Role:

- Contracted with all 5 MCOs for all *Medicaid* BHSD state-wide*
 - Single collection point for all Medicaid BH providers.
 - Crisis and non-Medicaid BHSD in non-Beacon regions must still go through the appropriate BHASO

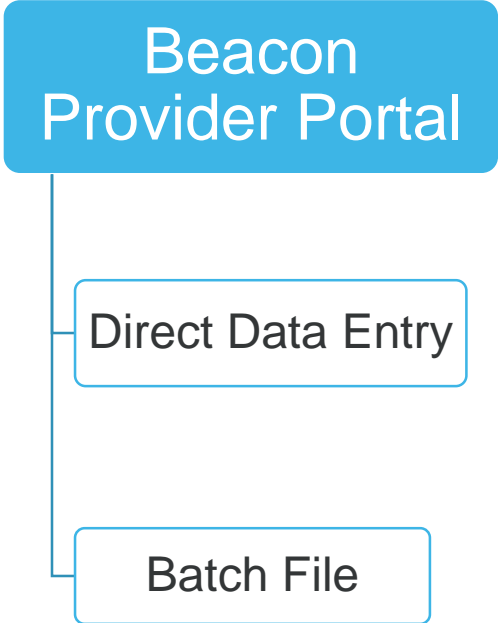

*King County arrangement is TBD
