Your Morning News

Friday, September 18, 2020

Spokane:

Mobius to consolidate at science center site

Mobius Spokane is consolidating operations. The Mobius children's museum will move and share space that the Mobius science center occupies in the Post Street Annex of the Historic Washington Water Power building. The children's museum formerly was located in the lower level of River Park Square. Together, the museum and science center will be transformed into Mobius Discovery Center and will reopen with new education programs once it's allowed to operate under the state's Safe Start plan.
