

Health Equity Zones

A community-driven initiative in Washington State focused on advancing the health and well-being of communities most impacted by inequities.

Join the HEZ Community Workgroup!

Purpose: To shape how the HEZ Initiative is implemented and ensure lived experiences and community expertise are centered.

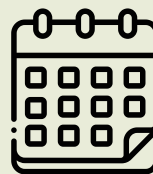

The Community Workgroup has open membership and meets monthly, so you are welcome to join as it works for you.

Financial incentives will be provided to participants.

Next Meeting:

Thursday, June 9, 2022
1 PM - 3 PM (via Zoom)

Meetings will take place the 2nd Thursday of each month.
