Phone number(s): 509-599-6034

- What services does your organization provide?
 - After School Programs
- Please describe the target populations you seek to serve?
 - At Risk Youth
- How do you accept referrals? (e.g. can an organization call on a client's behalf?)
 - Yes anyone can contact us! We started building relationship before task by joining school PTO's, Town halls, networked with community members and local businesses, walked door to door offering free services, build a media platform
