

Psychiatry Consultation Line

Connecting Care Providers in Washington with UW Psychiatrists

I could not take care of the mental health patients I have in my rural health setting without this service.

Stevens County, Physician

Offering FREE psychiatry consults, the Psychiatry Consultation Line is staffed 24/7 with UW psychiatrists ready to help with the behavioral health care of your patients with mental health or substance use conditions: 877-WA-PSYCH.

[The PCL was] very helpful to me in a scenario which I do not commonly deal with and was unsure how to proceed.

Yakima County, Nurse Practitioner

I see patients in our local jail [who] often have complex mental health conditions. My call to PCL was so easy and incredibly helpful.

Walla Walla County, Physician Assistant
