

# Spokane Collaborative

The Spokane Collaborative is a group of community and clinical partners in Spokane County who share a vision of a health system that is accessible, equitable, and person-centered. Members representing their organizations and community in Spokane County meet once monthly for 2 hours to work toward a more equitable health system.

## The Spokane Collaborative is looking for members who:

- Represent public health or community organizations serving Spokane County
- Have an interest in building new community partnerships
- Enjoy coming up with ideas to help our community
- Will gather and share information about health initiatives in our community
- Look for opportunities to collaborate on activities to close equity gaps
- Share our commitment to anti-racism and equity
- Have the time available to attend monthly meetings

# JOIN US!

### Virtual Zoom Meetings

3rd Thursday of each month from 1-3pm
